PEFFER, who succeeds lingalls in the Senate, has "writ" a book. What more could his enemies ask!

A TERRIBLE calamity occurred at Youngtown, Pa., last Tuesday. By an explosion in the Mammoth Mine one hundred and ten men were killed.

PRESIDENT POLK, of the National Farmers' Alliance, endorses the acwithholding appropriations to the ters and their party will die with it World's Fair until the Force bill is finally and forever shelved.

SENATOR JOHN JEEMS INGALLS, writ it:" we have no tears to shed.

Now that the Force oul is side tracked, if all the Democratic legislatures, both North and South, will follow the examp e of Tennessee-amany of them already have-and re-

heeded not the warning. Then did the people rise up and say: "We will hit you where you live-that is on your pocket-we will withhold appropriations from the Worlds Fair." Then did the mighty Republican money changers tremble, and behold their French rules and their Force bills were all scotched.

WHEN the news was read to the Tennessee House that the cloture rule side tracked a second time, the inforterms the Republicans use, and simply move to let them vell.

AFTER all, and aside from the Force bill question, would it not be better to let the World's Fair take roads to every civil district, and our "wonderful resources" will display themselves and immigrants will flock to this state from all parts of the world. Two hundred and fifty thou sand dollars expended in public roadwould benefit the people of Tennesses display made in Chicago at the World's Fair.

them in your little book, and when party, remember a saving clause in calendar of the United States Cameron, Jones of Nevada, Stewart Teller, Washburn and Walcott.

THE sentiment expressed by the Tennessee legislature in withholding all appropriations from the World's gradually less. Fair until the Force bill is finally disposed of, has been echoed all over the land. Nearly all the Southern States have adopted similar resolu- reasonably expec ored it has committed the unpardonable sin. Socially and politically he should be eternally damned.

THERE are two things this legislature should do, if they do nothing else. These are-to repair the Capitol of view alone, both these expendiout of repair and is rapidly getting the ravages that in a few years will be past hearing. As for the penitentiary, the ground it now cumbers is very valuable and can be sold for a large sum. Five miles from the city would be a better place for the buildings, and larger grounds, with better sewerage facilities and better ventilation, can be gotton for several the advantage it would be to Nashville, and to the health of the convicts, from a purely economic view the new buildings should be on new grounds.

cluding he says: "No standing army with that intelligence and fidelity ture of oak and popular shades, blue in the world costs the people so much that will reflect credit upon Mr. and orchard grasses, Hal horses, Jersey, Durham and Holstein cattle. Special to the Herald: in the world coats the people so much sacurating of dilectarged soldiers, and was a grant and possess. Has more as though we are at peace among our selver and white all the world, and his old commades in this people we are paying more than \$125, 000,000 annually to the soldiers and of many years was Circuit Courty. The payment of reasonable pensions on account of reasonable pensions on account of wounds actually received and diseases actually contracted in the military or nawl forces, when the military or nawl forces was personal to the military or nawl forces of the citize position of the war, is just and right in itself, and its more than the military or nawl forces, the was here a few months in time of war, is just and right in itself, and its more than the military or nawl forces of the citize position of the war, is just and right in itself, and its more tracted in the military or nawl forces of the citize position of the war, is just and right in itself, and its more tracted and was incompleted to the brother, "We are the world, and between the world, and the worl policy that can be adopted by a government which relies for its defense enment which relies for its defense almost exclusively upon the voluntary services of its citizens; but the gratiutous distribution of public money among certain classes of the money among certain classes of the money among certain classes of the history of the England in order that Irish-men might be garged in the History of the England in order that Irish-men might be garged in the History of the England in order that Irish-men might be garged in the House of Common when they are warm personal friends; and Co-sare warm personal friends of all with whom he met.

No 1-Resident Notice. J. T. S. Greenfield va. Wm. Hassell.

J. T. S. Greenfield vs. Wm. Hassell.

WHEREAS the plaintiff in this cause, J.

T. S. Greenfield has sued out a writ of attachment before me, R. C. Puckett, a Justice of the Peace for Manry County, Tenn., against the property of the defendant Hassell on the ground of the non-residence of said Hassell, and the return of said attachment west before me shows that the same has been levied up in the property of said defendant, and an o der of publication entered upon as d writ, as provided by law. Now therefore it is ordered by me that publication
